

BlueJeans Studio Frequently Asked Questions

BlueJeans Studio brings powerful production tools to BlueJeans Events, giving you the ability to easily create stunning, TV-quality live streams that engage your audience and elevate your brand.

When will BlueJeans Studio be available to customers?

BlueJeans Studio will be available to BlueJeans Events customers who sign up for the preview in April 2022. It is estimated to become available to all BlueJeans Events customers by the end of Q2 2022. Be one of the first to try BlueJeans Studio by signing up at bluejeans.com.

Can I use these Studio features during a BlueJeans Meeting?

Not at this time. We will begin to build and incorporate many Studio features into BlueJeans Meetings in the future.

Is BlueJeans Studio only available to BlueJeans Events customers?

Yes. At launch, BlueJeans Studio is a feature option inside BlueJeans Events. In the future, we plan to offer BlueJeans Studio as a standalone product that can be purchased and used without an Events subscription.

If I am a BlueJeans Event customer, do I have to use Studio?

No. Event moderators will be given the option to use Studio's producer dashboard or the existing moderator dashboard during each event setup.

How much does BlueJeans Studio cost?

There is no additional charge. Studio is a new and included feature of BlueJeans Events subscriptions. We have built these tools to elevate the virtual event experience and create more engaging content for our customers and end-users. We hope you will enjoy it!
