

Grow your Business with BlueJeans Events

Host and manage interactive webinars, virtual events, and live streams that wow your audience and deliver impactful results.

With industry-leading scale, broadcast quality production tools, and advanced event analytics, BlueJeans delivers robust features that engage attendees and seamlessly grow your business.

Maximize engagement of leads, customers, and partners.

Create interactive webinars and virtual experiences that deliver audience insights with BlueJeans' full suite of engagement tools including Q&A moderation, audience polling, chat, and hand raising tools.

Host high-quality virtual events with a few simple clicks.

Using BlueJeans Studio's powerful and easy-to-use production tools, you can produce TV-quality broadcasts in 1080p that will wow your audience and put your brand front and center from a simple producer dashboard.

Drive leads and grow your pipeline.

BlueJeans Events' marketing integrations and event analytics make it easy to gather first-party data, nurture your leads, and drive funnel conversion for measurable results long after your events are over.

BLUEJEANS FEATURES

Large-scale events & live streaming

Host up to 150,000 registered attendees or livestream to Facebook, your website or any RTMP destination to reach millions worldwide.

Multi-day conferences

Host multi-session, multi-day virtual events with endless customization options and dynamic attendee experiences.

Interactive engagement tools

Connect and collaborate with Q&A, event chat, audience polling, and hand raising to encourage attendee participation.

Join from any device

Presenters and attendees can join from any in-room video system, computer, mobile device or telephone. No downloads needed.

Simple event control

Control on-screen experience from a simple, browser-based producer dashboard without any extra equipment or AV support needed.

Seamless marketing integrations

Integrate first-party attendee data into Marketo, Salesforce, or other systems to grow your pipeline and nurture customer relationships.

Superior production quality

Wow audiences with TV-quality broadcasts using custom branding, presenter layouts, and content sharing.

Global accessibility & translations

Select from over 70 automated closed caption translations or offer simultaneous interpretation for multilingual audiences.

Tremendous bandwidth savings

Optimize the bandwidth consumed by event viewers by caching multiple video streams to a single stream.
