- Mute your camera:** Points to the camera icon in the top toolbar.
- Mute your audio:** Points to the microphone icon in the top toolbar.
- Share content:** Points to the screen sharing icon in the top toolbar.
- Exit:** Points to the red phone icon in the top toolbar.
- View and mute participants:** Points to the 'PEOPLE' icon in the top toolbar.
- Group and 1:1 chat:** Points to the 'CHAT' icon in the top toolbar.
- Edit settings:** Points to the 'SETTINGS' icon in the top toolbar.
- Change your camera, microphone or speaker (headset):** Points to the 'CAMERA', 'MICROPHONE', and 'SPEAKERS' sections in the settings panel.
- Moderator controls:** Points to the 'MODERATOR CONTROLS' section in the settings panel.
- Switch your video display preference:** Points to the video layout icon in the bottom left corner.

## Tips

### KEYBOARD SHORTCUTS

- M = Mic Mute/Unmute
- V = Video Off/On
- Space Bar = Hold to unmute while you talk

### GOOD INTERNET CONNECTION

Use a LAN connection or strong WIFI for best performance

### MUTE

- Yourself if not talking
- All for large meetings

### HEADSETS

Control background noise (avoid speakerphone)

### ON THE GO

Use the Mobile App
